INTRODUCTION

1. Plaintiffs, who are all citizens of the Commonwealth of Virginia, bring this diversity action against Defendant, a citizen of the State of Vermont, for defamation *per se* and defamation based on numerous videos Defendant posted recently and which she continues to post on the widely accessible and extremely popular YouTube website in which Defendant falsely and maliciously imputes to Plaintiffs the commission of criminal offenses involving

moral turpitude, for which the party, if the charge is true, may be indicted and punished. These criminal offenses include adultery, prostitution and bestiality.

2. And in at least two recent YouTube videos she posted, Defendant falsely and maliciously makes statements about Plaintiff Johnny Ha imputing to him unfitness to perform the duties of his employment for profit, and want of integrity in the discharge of the duties of such employment.

3. In addition to defamation *per se* and defamation, Plaintiffs seek damages, an injunction, attorneys' fees and litigation costs against Defendant pursuant to Virginia Code § 8.01-42.1, which provides a private right of action for any person who is subjected to acts of "intimidation or harassment" which are "motivated by racial, religious, gender, disability, gender identity, sexual orientation, or ethnic animosity."

JURISDICTION AND VENUE

4. This Court has jurisdiction over this action pursuant to 28 U.S.C. § 1332(a)(1) because the matter in controversy exceeds the sum or value of \$75,000, exclusive of interest and costs, and is between citizens of different states.

5. Plaintiffs each seek an amount greater than \$75,000 from Defendant for presumed damages, and an amount greater than \$75,000 from Defendant in compensatory damages for actual, reputational, emotional, and professional injuries suffered as a direct and proximate result of Defendant's below-described defamatory *per se* publications.

6. In addition, Plaintiffs each seek civil damages from Defendant pursuant to Virginia Code § 8.01-42.1 in amounts greater than \$75,000, as well as punitive damages, an injunction, attorneys' fees and litigation costs.

7. Venue is proper in this District pursuant to 28 U.S.C. § 1391(b)(1)-(2) because Defendant resides in the District of Vermont and a substantial part of the events or omissions giving rise to Plaintiffs' claims occurred in the District of Vermont.

PARTIES

8. Plaintiff Johnny Ha ("Mr. Ha" or "Johnny") is a citizen of the Commonwealth of Virginia, residing in Alexandria. He is married to Plaintiff Jenny Pham (also known as Jenny Ha) and he is the son-in-law of Plaintiff Helen Le.

GOVERNING SUBSTANTIVE LAW

12. This is a diversity action, so this Court applies the choice-of-law principles of Vermont.

13. For tort claims such as the ones in this Complaint, Vermont follows the Restatement (Second) of Conflict of Laws ("Restatement (Second)") to determine the applicable substantive law.

14. Pursuant to Restatement (Second) Section 150, which governs multistate defamation, including statements published on the Internet, the applicable substantive law to be

applied is the law of the state with the most significant relationship to the occurrence and the parties under the principles stated in Restatement (Second) Section 6.

15. The substantive law of Virginia, including without limitation Virginia Code § 8.01-42.1, governs this case because Plaintiffs are citizens of Virginia and the harms caused by Defendant's defamatory, harassing and intimidating statements and actions are greatest in Virginia. was fully satisfied, and then she asked you not to sue me. Then, the second lawyer came in. Fuck you. He took off his pants, he fucked your whore mother, and he put the pants over your mother's head, and your mother's daughter moaned "Oh my goodness, it's so good, my cunt, so happy. My dear daughter, no need to sue her." The third lawyer came in. Fuck you. He fucked you at the door and dragged you into your bedroom for fuck again. You were so satisfied that you didn't sue me, right? Whore! There were three lawyers, two lawyers fucked your mother, one lawyer fucked you, so you are so happy, and you did not sue me, right? 136. A few days thereafter, in a video Defendant posted to YouTube (“Video #13”), Defendant says in Vietnamese:

Johnny Ha, he asked someone to type it, made it looked like from his law office, Richard, uhm, Richard H. Nguyen. It was a casual letter format given to me. It was mailed to my store, then I laughed like hell, my daughter looked into this letter and read all of it, then she laughed and said, “Leave it to me, mom.” She searched for that law office on google and stuff like that. The number isn’t matching, ok? The number isn’t matching, the address isn’t matching. Then my daughter made a telephone call, when my daughter called, they didn’t even spell my name correctly. They didn’t spell my last name correctly either. Yeah, my daughter made a phone call to that law office and said “I need to see uhm...” There was a reply “hello, hello,” although it was a business answer, a law office. Bitch Jenny Ha is so stupid, as she spoke that voice, you know, she pretended. Then she told me to

contact her law office, then she gave Richard H. Nguyen's contact number. Hey Richard H. Nguyen, stop being so damn stupid! You licked the cunt of whore Yen and now you lick the cunt of whore Jenny Ha too, right? They are two animal whores, OK?! Richard H. Nguyen, you are so stupid that you taste menstrual blood of woman. You don't follow a human being but you follow an animal. Fuck your mother! . . .

161. COUNT III

CIVIL ACTION PURSUANT TO VIRGINIA CODE § 8.01-42.1 **(FOR CIVIL DAMAGES, PUNITIVE DAMAGES,** **INJUNCTION, COSTS AND ATTORNEYS' FEES)**

203. Plaintiffs repeat and reallege all paragraphs above as if fully set forth herein.

204. In addition to the defamatory nature and aspects of Defendant's videos concerning Plaintiffs, the videos constitute an intentional campaign of intimidation and harassment by Defendant against Plaintiffs, and such intimidation and harassment were motivated by ethnic, racial, religious and gender animosity.

205. Virginia Code Section 8.01-42.1, entitled, “Civil action for racial, religious, or ethnic harassment, violence or vandalism,” provides in relevant part as follows:

A. An action for injunctive relief or civil damages, or both, shall lie for any person who is subjected to acts of (i) intimidation or harassment, (ii) violence directed against his person, or (iii) vandalism directed against his real or personal property, where such acts are motivated by racial, religious, gender, disability, gender identity, sexual orientation, or ethnic animosity.

B. Any aggrieved party who initiates and prevails in an action authorized by this section shall be entitled to damages, including punitive damages, and in the discretion of the court to an award of the cost of the litigation and reasonable attorney fees in an amount to be fixed by the court.

Va. Code § 8.01-42.1(A)-(B).

206. Defendant subjected Plaintiffs to acts of intimidation and harassment, and such acts were motivated by ethnic, racial, religious and gender animosity.

207. Defendant posted numerous videos online in which she refers to Plaintiffs Jenny Ha and Helen Le repeatedly in Vietnamese as whores, prostitutes, sluts and bitches.

208. Defendant’s use of these women-shaming words to describe Plaintiffs Jenny Ha and Helen Le demonstrate that Defendant’s acts of intimidation and harassment were motivated by gender animosity.

209. Another example of Defendant’s gender animosity motivating her acts of harassment and intimidation occurs in Video #13, in which Defendant used the Vietnamese phrase, “ngực quần què,” which translates into English as “taste/drink menstrual blood of woman.”

210. This is the dirtiest language in South Vietnam, and it provokes a deep hatred of girls and women, and of the men having relationships with them.

211. In South Vietnamese culture, the menstrual blood of a specific girl/woman is strictly personal. When it is used as an insult, it is the dirtiest language which provokes a deep hatred of people who touch it.

212. Defendant uses this phrase in Video #13 to suggest that Virginia-based lawyer Richard H. Nguyen tasted or drank the menstrual blood of Plaintiff Jenny Ha:

Vietnamese: “... Ê thằng Richard H. Nguyễn, mày ngu cũng ngu vừa thôi. Mày bú cái lờ của con đĩ Yên rồi bây giờ mày bú cái lờ của con của con con con đĩ Jenny Hà nữa, mày biết không? 2 con đĩ động vật đó đó, ok? Mày ngu ngu ngực quần què ha Richard H. Nguyễn...”

English translation: “... Hey Richard H. Nguyen, stop being so damn stupid! You licked the cunt of whore Yen and now you lick the cunt of whore Jenny Ha too, right? They are two animal whores, OK?! Richard H. Nguyen, you are so stupid that you taste menstrual blood of woman...”

213. In Video #16, Defendant states that, in the courthouse of this very Court, she will pour her own menstrual blood on the head of Plaintiff Helen Le, who is the mother of Plaintiff Jenny Ha and the mother-in-law of Plaintiff Johnny Ha:

Vietnamese: ‘...Đụ mẹ mày, doanh nhân cái quần què, doanh cái máu lồn. Đụ mẹ mày, ra tòa tao đổ máu lồn tao lên đầu con đĩ mẹ mày luôn. . . .’

English translation: “... Fuck you! Menstrual blood businessman. Cunt blood businessman. Your mother fucker. I shall pour my menstrual blood on your mom’s head in the Court House. . . .”

214. Defendant’s acts of intimidation and harassment against Plaintiffs were motivated by racial and ethnic animosity, as well.

215. Defendant uses the Vietnamese phrase, “Me Mỹ” in Video #6 and Video #9 to describe Plaintiffs Jenny Ha and Helen Le.

216. This phrase translates into English as “a whore for American.”

217. In the context of Vietnamese society in the war between North and South Vietnam, this phrase was used by North Vietnamese and Communist people with an intent to express ethnic hatred of South Vietnamese women, their American male lovers and their mixed-race children.

218. In the war, American experts and soldiers came to South Vietnam, and many of them fell in love with Vietnamese women, while some of them used Vietnamese women as sex objects.

219. The Vietnamese phrase, “Me Mỹ” is understood as a shameful description for South Vietnamese women, and it is not about an ordinary prostitute. This phrase expresses linguistic hatred, a serious harassment when this is pointed to a woman, her children, and other mixed-race children who were born in South Vietnam or came from South Vietnam.

220. The Ha, Ha and Le families are from South Vietnam. The phrase, “a whore for American” used by Defendant to describe Plaintiffs Jenny Ha and Helen Le constitutes harassment motivated by racial and ethnic animosity, as well as gender animosity.

221. Yet another example of the racial and ethnic animosity motivating Defendant’s acts of harassment and intimidation are Defendant’s repeated statements that Plaintiff Johnny Ha had sexual relations with his mother-in-law, Plaintiff Helen Le. For examples, see Video #6, Video #8 and Video #9.

222. Different from western countries or America where having sex with a current relative-in-law would be considered bad but not an act of criminal incest, in Vietnamese culture, the mother-in-law and father-in-law are respected, treated and considered like an actual biological mother and father.

223. Defendant's repeated statements that Plaintiff Johnny Ha had sexual relations with his mother-in-law, Plaintiff Helen Le, are understood in Vietnamese as assertions of forbidden family incest. These repeated statements constitute serious harassment and intimidation motivated by racial and ethnic animosity.

224. Defendant's acts of intimidation and harassment against Plaintiffs were motivated by religious animosity, as well.

225. The Vietnamese word, "Tù đường," which is translated into English as "ancestor / ancestor worship / ancestor worship hall."

226. For Vietnamese people, ancestor worship is a religion. Vietnamese people may be Christians or Buddhists, but either way they worship their ancestors. If a person, himself or herself, is cursed, it is a personal problem; but if a person's deceased parents/grandparents are cursed, it is a religious insult.

227. Defendant uses the religious insult, "Tù đường" against Plaintiffs one time in Video #9 and three times in Video #12.

228. In Video #9, Defendant says in part in Vietnamese, "...Tao chửi sạch tù đường mày luôn..." This translates into English as: "... I curse your whole ancestor worship hall...."

229. In Video #12, Defendant says in part as follows:

Vietnamese: "... Chửi sập mặt lồn 2 vợ chồng bay luôn, chửi dòng họ tù đường của bây, và 16 dòng họ tù đường của tụi mày không có đầu thai luôn. ... Chửi sập mặt lồn bảng tù đường mày chơi."

English translation: "... Both of you, the husband and the wife, I curse you, I curse your family lines, your ancestors; your ancestor worship hall will be collapsed, your sixteen family lines will not be reincarnated. ... I curse you for fun, I curse your ancestor list for fun..."

230. In Video #16, Defendant speaks extensively about cursing Plaintiff Helen Le so that she cannot be reincarnated:

Vietnamese: Đụ mẹ mày. Mày đưa tao ra tòa. Mày ko đưa tao ra tòa, đụ mẹ mày, tao chửi mày 365 ngày, tao chửi mày hết đầu thai được luôn, con đĩ chó, con đĩ cặp cổ chó. DMM, con đĩ chó Jenny Ha. DMM, mày là con súc vật mày hiểu không?...

...Tao chửi cho mày kiếp này mày đầu thai không được, mà kiếp sau mày cũng đầu thai đéo được luôn...

...Đụ mẹ con đĩ mẹ mày, tao chửi, tao đào mồ cuốc mã con đĩ mẹ mày lên...

...Tao chửi mày 365 ngày, đụ mẹ mày, con đĩ mẹ mày chết cũng không có đầu thai được...

...Tao sẽ chửi ngày 3 nhấc, tao lôi đầu con đĩ mẹ mày ra, tao đào mồ cuốc mã con đĩ mẹ mày, sống cũng chết với tao, mà có chết cũng không đầu thai được...

...Tôi chửi dòng họ từ đường nó, con đĩ mẹ nó chết, sống cũng như chết, chết cũng như chết dở chết dang, mẹ nó chết cũng lắm than khổ sở, chết cũng bở ngỡ, coi như là bở ngỡ sự đời, chết mà cũng bị miệng đời rửa xả, chết xong rồi cũng xả xuống mồ con đĩ mẹ nó cũng không đầu thai được luôn đó anh chị...

...Đĩ mẹ mày con cô hồn các đảng...

...Đụ mẹ mày 365 ngày tao lôi cặp cầu chó mày lên tao đào mồ cuốc mã. Cặp cầu chó mày, tao đào mồ cuốc mã 1 ngày 3 lần luôn mày biết chưa, con đĩ chó...

English translation: ... Fuck your mother. Take me to court. You don't take me to court, your motherfucker, I'll curse you for 365 days, I curse you again and again so that you cannot reincarnate, bitch, the bitch Jenny Ha. Your motherfucker, you are an animal, do you understand?...

...You can not reincarnate after this life, and you won't be reincarnated next life either...

...Fuck you mother, fuck, I curse you, I dig up your mother's ancestors' tombs...

...Your mother fucker. I curse you in 365 days. Your mother fucker. Your whore mother will die and won't be reincarnated...

... I'll curse you three times per day, I pull out your mother's head, I dig up your mother's ancestors' tombs, your mother will die because of me, when she is dead, she won't be reincarnated...

... I curse your family lines and your ancestors, your mother is a whore, she lives in the darkness like she dies, she lives worse than dies, she'll die miserably, dies in the worst way possible, and afterlife she was cursed by the mouth of life, after she dies, she will be dumped into the grave of a slut, she won't be reincarnated. You see, my brothers and sisters...

... Damn you! lonely and helpless spirits, and hungry devils!...

... Your motherfucker. I'll drag the dog couple in 365 days, I dig your ancestor's tombs. The dog couple. I dig your ancestor's tombs 3 times per day, you know, bitch!...

231. Defendant's above-quoted words have religious meaning and they are extremely serious to Vietnamese people. In Vietnamese culture, ancestor worship is a religion and the afterlife is very serious to a Vietnamese person, no matter whether he/she believes or does not believe in God, no matter if he/she follows Jesus Christ or Buddha.

232. Vietnamese people may be Christians or Buddhists, but either way they worship their ancestors. Reincarnation is the most important thing – the afterlife. Vietnamese people believe that spirits would have next lives, and spirits that cannot have a next life would be lonely, helpless, or become hungry devils that have extreme regret for their descendants.

233. This is why the cursing of 'no reincarnation' is blasphemous for Vietnamese people. And this is especially the case where, as here, such a curse is spoken in public with the

intention for everyone to hear it. Such a curse is a religious blasphemy as well as an example of ethnic hatred.

234. Yet another instance of Defendant's intimidation and harassment toward Plaintiffs being motivated by racial animosity occurs in Video #16, wherein Defendant uses the Vietnamese equivalent of the N-word:

Vietnamese: “. . . Đụ mẹ mày, đi theo con đĩ mọi si đen đó rồi, mày, súc vật theo con đĩ đó rồi. . . .”

English translation: “. . . Your mother fucker. You follow that nigger, whore, you, animal, nigger. . . .”

235. Through a series of videos posted online, Defendant subjected Plaintiffs to acts of intimidation and harassment, and such acts were motivated by ethnic, racial, religious and gender animosity.

236. Defendant's acts of intimidation and harassment that were motivated by ethnic, racial, religious and gender animosity caused Plaintiff Johnny Ha to suffer impairment of reputation, diminished standing in the community, personal humiliation, injury and embarrassment, emotional distress and mental anguish, and professional harm.

237. As a result, Mr. Ha is entitled to civil damages in an amount greater than \$75,000.

238. In addition, Mr. Ha is entitled to punitive damages in an amount to be determined.
